Cleaning

General rules for cleaning of cottages: We at Långasjönäs Camping & Holiday Village are committed to a constant and high quality of cleaning of all our cottages. If you as a customer experience that your cottage does not meet your expectations, you are welcome to reconnect this to us.

The way you want your cottage to look like when checking in, the same way you should leave your cottage when checking out, making sure that the next guest can start their stay in a nice and clean house.

When you have not booked final cleaning with your booking, but have chosen to clean yourself, we would like to give some guidelines below about how to clean your cottage. The following must be done before departure:

- 1) Take away all food items and personal belongings from the refrigerator and cupboards, clean them and dry out. Make sure that the refrigerator is clean, do not turn the refrigerator off! Leave it on!
- 2) Wipe all flat surfaces, such as tables, chairs, lower part of the window frame, sink, shelves, cabinets and furniture.
- 3) Do the dishes, dry them, and put them back on its place.
- 4) Clean the stove and oven. Do not forget the micro-wave, in case your cottage has one.
- 5) Throw away waste (residual waste) and recyclable materials (food waste, plastic, cardboard, paper, metal, glass and deposit bottles/cans) in the environmental station. There are recycling stations at 3 locations:
 - Camping site (next to the service building)
 - Southern holiday village (near cottage S01)
 - Northern holiday village (near cottage N01)
- 6) Ventilate the bedcovers and pillows and put them neatly on the beds.
- 7) Ventilate the cottage if needed. Be sure to close the windows properly before departure.
- 8) Vacuum the floor & then swab the floor (use warm water and detergent!). Each house has a bucket and a swab.
- 9) Clean the toilet and sink(s).
- 10) Check the house thoroughly and make sure everything is neat and clean for the next guest.
- 11) Check out in good time! Leave the key and keycard at the reception. In case something broke down during your stay (for example a light bulb) or needs to be repaired, please let us know when you check out.

12) All cottages will be carefully checked after check-out. If the cottage is not left in a good (clean) condition, we will charge a cleaning fee.

In the cottage rent the following is not included: Toilet paper, detergents, etc. Remember to bring what you need for your stay.

If you already have spent some time in your cottage or on the camping, before an event has taken place which makes you want to cancel the rest of your stay, the compensation will be accordingly.
